### Who is Tidasa?

The Training and Instructional Design Academy of South Africa (TIDASA) (Pty) Ltd is a training institution that provides customised training material and interactive training to organisations with specialised skills development requirements.

### What we do

TIDASA has established itself as a leader in providing quality training and customised services. Our areas of expertise include:

- Material development and customisation
- Training and facilitation
- Compliance support (QMS, skills development facilitation, accreditation, and assessment tools)
- Consulting (training needs analyses, organisational wellness programmes, business development, procedure manuals)

For more information about our specialised services, please refer to our Expertise section.

### Accreditation

TIDASA is provisionally accredited by Umalusi, Council for Quality Assurance in General and Further Education and Training (provisional accreditation number: FET 00474 PA) and will operate with Memorandums of Understanding to the Services Sector Education and Training Authority (SETA), Local Government (LG) SETA, Education, Training and Development Practices (ETDP) SETA and the Information Systems Electronics and Telecommunication Technologies (ISETT) SETA.

### B-BBEE

TIDASA supports the aims of the Broad-Based Black Economic Empowerment Act (Act No 53 of 2003) and is a level 4 B-BBEE contributor.

### APPETD

TIDASA is a member of the Association of Private Providers of Education, Training and Development (APPETD). APPETD is committed to ensuring high standards and ethical behaviour. As a member of APPETD, TIDASA's clients are assured of quality training and that any personnel certified by TIDASA is competent and capable.
